MINISTRIES

Established in God's Faithfulness

1 Chronicles 17:23

Transformed by Grace and Compassion

2ND EDITION 2026

Lead Pastor's Message.

To God Be the Glory

In the words of the hymnist, "To God be the glory, great things He has done" (Fanny Crosby: 1820-1915) for, in and through HGM. The grace and faithfulness of God towards Hanamel Gospel Ministries (HGM) have truly been amazing and well worth celebrating! As the Psalmist once observed, indeed, "Unless the LORD builds the house, those who build it labor in vain. Unless the LORD watches over the city, the watchman stays awake in vain" (Psalm 127:1 ESV). Clearly, that has been our experience and testimony for the past two years: we would not have come this far had it not been for the LORD who has been perfecting His work through us (Psalm 138:8). Again, to Him be all the glory for the great things He has done for, in, and through HGM.

The Past Two Years

Having taken a step of faith to launch our very first Church service on May 19, 2024, at the Lord's leading, we have witnessed the hand of God expand our territory in very many spiritual and physical areas. Besides the weekly Church services, we have been able to continue with the weekly prayer and fasting meetings, the monthly all-night prayer meetings, the annual prayer retreat at the Biku Prayer Mountain in Nebbi District, and the annual cross-over night—where the LORD spoke to us that 2026 is our "Year of Exceeding Grace." Hallelujah!

Over the past year, by God's grace, we have grown in numbers, both in the children's and the main church congregation; in the coverage of our community ministry outreach engagements, including starting weekly Home Fellowships, regularly supporting other churches, ministries, and the needy in our community; and in the growth of our financial resources for His work—all of which have led us to seeing more souls come to the saving knowledge of Jesus, healed, delivered from demonic oppression, and blessed in many spiritual and physical ways.

Emmanuel Odama, PhD

The Amazing Deeds of God's Grace

Motivated by our Mission, "To live and tell others the Good News about the grace of God in Jesus Christ through word and deed," and by God's grace, we were also able to record our very first music album in January 2026, comprising eight songs, all authored by our Worship Team. With the studio work now underway, the album is scheduled for release in December 2026, God willing. For those who joined us during the celebration service of our 1st anniversary, you will recall that, on that Sunday, we took a bold step of faith to start raising funds to buy land for a Church building for HGM.

We're so thrilled to report that within nine months, the LORD graciously provided and we paid off the land—located in Jokiva Cell, Ayivu Division, Arua City. Oh, glory to God in the highest! Accordingly, we have now embarked on another step of faith to raise more funds to put up the Church building. With what we've witnessed the LORD do to enable us to acquire the Church land, our faith is greatly stirred and we believe that He who began this good work will take it to completion, to the glory of His wonderful name!

The Ongoing Ministry Focus

Moving forward, our ministry focus is on being coworkers with Christ in "Building God's House," both spiritually and physically. This involves our increased commitment to, first, reaching out and leading more souls into God's Kingdom, thus making a contribution to the building of God's spiritual house (1 Peter 2:5-6), and, second, committing ourselves to sacrificial giving of the resources that God places in our hands to the physical church building work (2 Corinthians 8:1-5). Regarding the latter, we kindly call upon you to partner with us so that the work of God may prosper in our midst.

Thank You and God's Blessings

As we celebrate the LORD for two years of ministry, my dear wife Hope and I are so grateful to God for all of you who have made HGM your spiritual home; may you continue to grow in the grace and knowledge of our Lord and Savior Jesus Christ.

To all the HGM leaders and service teams, may the LORD abundantly bless you for your relentless commitment to serve Him through this Ministry. We are also highly indebted to the Management of Desert Breeze Hotel, Arua City, and the friends and partners of HGM for the warm hand of fellowship in serving the LORD.

May He greatly reward and prosper you. It is our prayer that Hanamel Gospel Ministries will continue to be "Established in God's Faithfulness" in the coming years. We wish you all a splendid and happy 2nd Anniversary!

SPOTLIGHT

MINISTRY SPOTLIGHTS

Pastoral Team

Gracious Increase

The pastoral team has grown in both strength and purpose since its humble beginning. On May 19, 2024, the ministry was stewarded by three devoted pastors, committed to shepherding God's people in obedience to 1 Peter 5:2—"Be shepherds of God's flock that is under your care."

As the work expanded, two deacons were prayerfully added, reflecting the wisdom of Acts 6:3, to support the ministry and ensure effective service. This growth has strengthened pastoral care, deepened outreach, and upheld the charge of Ephesians 4:11-12—to equip the saints for the work of ministry.

United in vision and purpose, the team continues to serve with humility, diligence, and love, nurturing spiritual growth and guiding the congregation toward maturity in Christ, ensuring that every believer is built up and established in faith.

Prayer Department

Consistency in Praying

The prayer department has been one of the consistent departments in which impactful spiritual activities have taken place. Besides the weekly Friday prayer and fasting, the monthly All-Night Prayer meetings have been life-transforming. We have surely seen God's word come to pass through these activities. By the grace of God, we continue to challenge ourselves with the Scripture in Luke 18:1 "And he spake a parable unto them to this end, that men ought always to pray, and not to faint...". We thank the Hanamel Family and those who have consistently continued to participate in these activities. May your life be transformed each time you get involved.

MINISTRY SPOTLIGHTS

Worship Team

The Gift and Zeal to the Call (Past two Years)

Hanamel Gospel Ministries (HGM) Worship Ministry comprises a team of young and talented worship members who have acknowledged the call upon their lives and have tirelessly served to bring forth God's glory into the house of our Father. From humble beginnings of less than 10 members, the team has grown steadily over the past two years.

The instrumentalists and vocalists are self-motivated and of a meek heart, committed to serving with humility and dedication. To God be the Glory. We remember the story of Phinehas in the Book of Numbers 25:6, where the Lord commended his zeal for divine honour. In the same spirit, the knowledge to worship in spirit and truth, coupled with gifts and zeal, has preserved the unity of the worship team. We continue to move together in one accord in the mighty name of Jesus.

Reaching the ends of the earth (ALBUM LAUNCH)

To God be all the glory that in the past two years, the worship team not only increased in number but also stepped into writing and recording HGM songs. Over eight songs are currently in the pipeline, carrying a vision to reach the ends of the earth.

We appreciate the recording team, particularly Ivan Keys; the songwriters, the instrumentalists, lead singers, vocalists, and the Church leadership for facilitating the production of these songs. This milestone stands as a testimony of God's grace.

The team is preparing for annual album launches, with a strong belief that these HGM songs will bless West Nile and beyond. As the Scripture says in Daniel 11:32, "...those who know their God will be strong and do exploits."

Nabadda Saidat Cathy
Team Leader, Worship Team

MINISTRY SPOTLIGHTS

Sunday School Department

Celebrating Two Years of Impact

As Hanamel Gospel Ministries celebrates its second anniversary, we give thanks to God for the remarkable journey of our Sunday School. What began as a small gathering of 15 children has grown into a vibrant and thriving ministry now serving 35 to 50 children every Sunday.

This growth reflects not only an increase in numbers but also a transformation in the children's spiritual lives. Over the past two years, the Sunday School has evolved into a more structured and engaging department, with classes organized by age, interactive teaching methods, and a stronger focus on nurturing each child's faith.

Our children are now more confident and actively involved in Scripture memory, worship, and church programs. At the same time, our teachers have shown great commitment, growing through regular meetings to better serve the ministry.

We also celebrate the increased support from parents and the wider church, which has played a key role in strengthening the children's department. While we have faced challenges such as limited resources and the need for more teachers, these have only inspired us to grow stronger and more intentional.

As we look ahead, we desire to continue building a solid spiritual foundation for every child, raising a generation that knows and loves God. Indeed, the journey of the Sunday School at Hanamel Gospel Ministries is a testimony of God's faithfulness and grace over the past two years.

MINISTRY SPOTLIGHTS

Home Fellowship

The Home Fellowship is Hanamel's intentional evangelistic approach to reach God's people who have not yet heard the Gospel, in fulfillment of the Great Commission (Matthew 28:19-20). Rooted in the pattern of the early Church, believers gather in smaller communities, just as Acts 2:46 reminds us— "They broke bread in their homes and ate together with glad and sincere hearts." Through this model, the ministry has raised and trained capable leaders who faithfully shepherd the various Home Fellowships spread across Arua City.

Currently, these fellowships are established in Muni, Euata, Tanganyika, Sambya, Mvara, Anyafio, Sansiro, and Ociba, among others, creating accessible spaces for worship, discipleship, and outreach. In line with Hebrews 10:24-25, members are encouraged to meet regularly, stirring one another toward love and good works.

These fellowships spur soul-winning, provide a nurturing environment where believers grow spiritually, deepen their understanding of God's Word, and build meaningful social relationships. Through the Home Fellowships, lives are being transformed, communities are being impacted, and the body of Christ is being strengthened in unity and purpose.

MINISTRY SPOTLIGHTS

The department of Sound and Equipment

Quality Sound, Quality Time, and Orderliness in God's House

Sound is not merely a technical element but a vessel through which God ministers to His people. Scripture reminds us in Psalm 150:3–5 to praise Him with the trumpet, harp, timbrel, and cymbals—every instrument lifted in excellence unto the Lord. Through this, we have witnessed how sound can create an atmosphere of reverence, intimacy, and a deeper connection with God.

God, by His grace, has faithfully provided the equipment needed to enhance the quality of sound in His house at Hanamel. This has elevated our worship experience, creating an immersive atmosphere that draws the congregation into a deeper awareness of His presence. As it is written in Ecclesiastes 9:10, "Whatever your hand finds to do, do it with all your might." Through the skills the Lord has given His people, we have seen improvement in well-balanced sound levels, precise tone, and minimal distortion—each element contributing to an authentic and Spirit-filled experience.

We testify that clear and crisp sound enables the congregation to hear and understand the message being conveyed—whether through the preaching of the Word, worship songs, or scripture readings. This clarity has deepened engagement and strengthened the ministry of the Word among us.

Over the past two years, we have seen the Lord's hand in providing resources for the maintenance of our equipment. Truly, "Every good and perfect gift is from above" (James 1:17). The department has grown by His grace, and we give glory to God for enabling the Church to invest in musical training for instrumentalists and choir members, sharpening their skills for His glory.

As we have prioritized excellence in sound and stewardship of what God has entrusted to us, Hanamel has experienced a more engaging, inspiring, and meaningful worship environment. Indeed, God is a God of order (1 Corinthians 14:40), and through this order, His presence is made manifest among His people.

To God be all the glory for what He has done and continues to do in His house.

MINISTRY SPOTLIGHTS

Finance Department

Financial Stewardship at Hanamel

Stepping into Ministry comes with a lot of uncertainties, but one thing remains true: God is our source, and we recognize that we are only stewards of what He has entrusted into our hands. To us as a Ministry, Stewardship isn't just about finances: it's about living out our full trust in God's provision, guidance, and direction.

As people of faith, we are called to manage God's resources with wisdom, responsibility, and generosity because managing finances is not just about numbers; it involves aligning the resources with our overall Vision and Mission. This has been made possible by upholding our core values of Integrity, Stewardship, Excellence, Passion, and Compassion, among others.

Subsequently, in these last two years of Ministry, we have seen and experienced God's faithfulness and provision through His people, and as such,

we have not only been able to carry on our mandate as a Ministry, but also be of support to other Ministries in and out of the region. We have also been able to reach out to touch the lives of those around us through our In-Reach Compassion Ministry, where we provide modest support to needy members of our community as and when we can.

Through the generous giving from God's people in the form of Tithes, Offerings, Thanksgiving and Free-will giving, the Ministry has also been able to achieve several milestones including timely payment of Service Providers, debt free financial years and acquiring a plot of land for Church construction in Arua City in a period of just nine months within the two years of existence –Hallelujah!

Therefore, we continue to trust the Lord for His provision as He establishes us to live and tell others the Good News about the grace of God in Jesus Christ through word and deed.

How Faith in God brought Restoration in Our family

Before I came to know God and commit to a life of prayer, everything in our home was falling. My father had stopped working and turned to alcohol, and I, too, was struggling without a job. The atmosphere at home was heavy with stress and uncertainty.

Things became even worse when conflict arose within our extended family. An in-law, driven by a dispute over land, brought harm upon our family through witchcraft. It felt like darkness had settled over us. My parents separated emotionally, even though they lived in the same compound. They stayed in different rooms, barely speaking. My father withdrew from us completely. He wouldn't eat food prepared at home, and there was no relationship left between him and the rest of the family. We were living together, yet completely divided.

But in the midst of all this pain, something changed. Through the kindness and persistence of Ishabella – a member of Hanamel Gospel Ministries, who introduced us to God and prayed with us regularly, a new journey began. Slowly, we started seeking God together, learning to pray, and holding onto hope even when it felt difficult.

One by one, things began to turn around. I got a job at Coca-Cola in Arua, and soon after, my brother also found work. What once seemed impossible began to happen right before our eyes. My parents, who had been distant for so long, started talking again. Bitterness gave way to understanding. They reunited not just physically, but emotionally, and our family began to heal.

My father experienced a remarkable change. He stopped drinking alcohol completely and started reconnecting with us. Peace returned to our home. We chose to forgive one another, letting go of past hurts, and fully reconciled as a family. Even more incredibly, after 13 long years without employment, my father got a job as a lead security guard. It was a moment that reminded us that no situation is beyond God's power to restore.

And as if that wasn't enough, the very in-law who had caused us so much pain came back to us this time with humility. They apologized, and through God's grace, we forgave them. That relationship, too, was restored. Today, our family stands united, stronger than ever before. What once looked like a hopeless situation became a powerful testimony of transformation.

I am deeply grateful to Ishabella for walking this journey with us, for introducing us to God through the Pajulu Home Fellowship, and for praying with us consistently. Most of all, I thank Almighty God for saving my family, for restoring what was broken, and for giving us a new beginning. If there is one thing I have learned, it is this: "No matter how dark things may seem, God can turn everything around". Healing is possible. Restoration is real; and with faith, nothing is beyond redemption. Thank you, and may God bless you all.

Gloria, A member of Pajulu Home Fellowship

A Testimony of Establishment in God's Faithfulness

First of all, I am delighted and grateful to God for the opportunity he has given me to be part of the church family of Hanamel Gospel Ministries and our amazing leadership and all the pastors of the church.

Since I started fellowshipping at Hanamel Gospel Ministries, mostly online, mainly due to my current residence and a few times physically in overnights, church services, daily devotionals received, one-on-one ministrations, and the recent prayer mountain time of fellowship in Goli-Nebbi Dec 2025 (First time experience but so amazing), I have never remained the same.

I got an opportunity to listen to the teaching/preaching of the prayer mountain visit at the end of 2024, posted on the church WhatsApp platform (I wasn't able to join in this visit). The teaching was about ways in which God speaks to us, His children, namely, through dreams, visions, the word of God (Scriptures), prayer, etc. We were equally taught that not all dreams come from God, hence the need for us believers to discern what is from God, which will always be distinct.

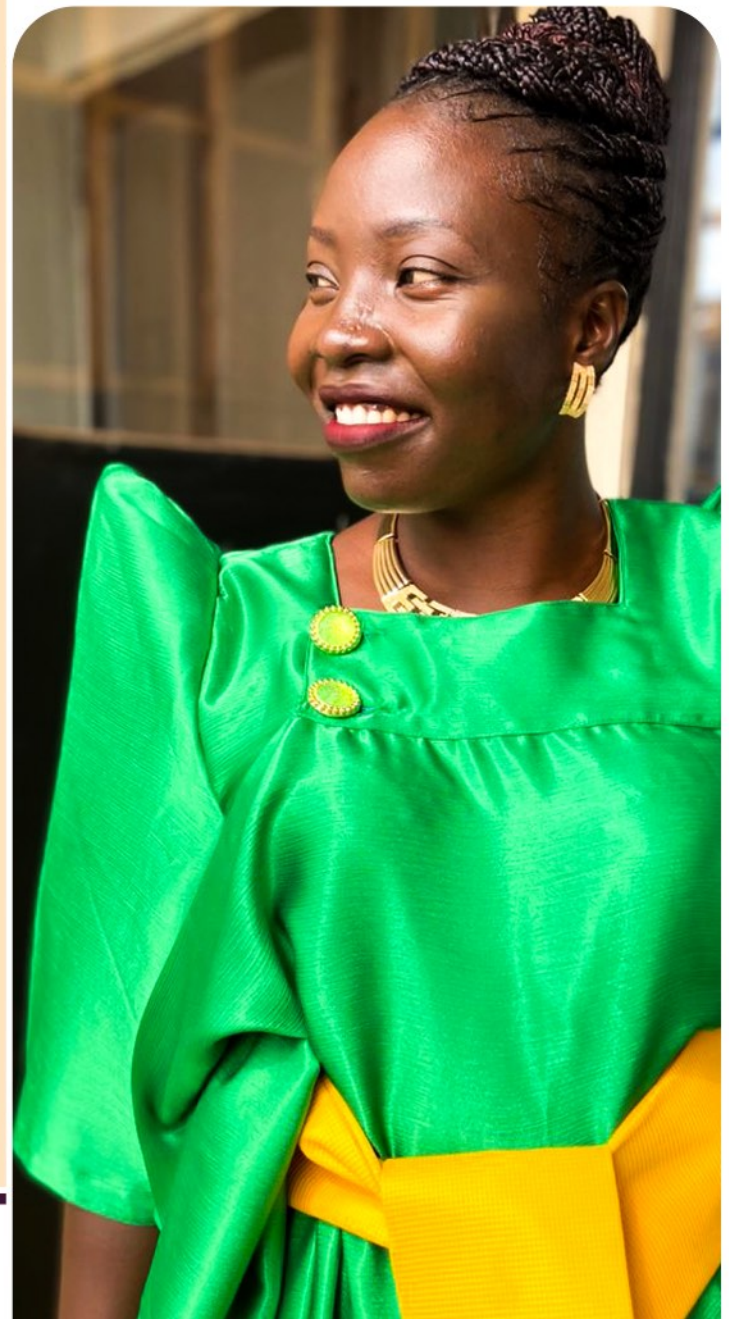

For a long time, I had been desiring to hear the voice of God speak to me directly over matters, and this teaching came in timely, and I took that up, re-listened to it many times, and started my year 2025 trusting God to speak to me in whichever way he deemed ok according to his will.

My turning point came in July 2025, one of the Fridays that happens to be a day of our weekly prayer and fasting as a church. I managed to pray and fast that day by the grace of God. As I concluded my day, I got a call from a friend advising me to try out some option for a situation I had been going through. This didn't go well with me as it was expensive, and I had tried similar options before and was not willing to take this path. I kept thinking over this matter and was disturbed about what to do. In the evening, as I was taking a bath, I heard as if someone was talking to me directly, and paused a little bit, and I heard the Scripture in **John 6:68-69, "Simon Peter answered him, 'Lord, to whom shall we go? You have the words of eternal life. We have come to believe and to know that you are the Holy One of God.'"**

I knew it was God and was so amazed that I hurried out to read this Scripture. Alas, it was speaking exactly about my situation, and hallelujah!

Since that time, I have continued to hear from God through Scriptures, dreams, circumstances/events, and sometimes through other people. I thank Hanamel Gospel Ministries for all the teachings in all forms, standing with me, and most importantly, drawing me to God, and I look forward to more. May his glorious name be praised forever and ever, Amen.

Lillian Ajio Andemani

How God Located My Brother: A Story of Restoration

Praise the Living God! I want to thank God for the Hanamel Gospel Ministries and for the Home Fellowships. Through the Home Fellowship of Ediofe, I have started loving people I used not to love or like.

On 10/03/2026, during the Friday wrap-up hour, 6:00 pm to 7:00 pm at Scripture Union Base, Pastor Diana Santiago was leading. She told members to pray for families. My brother, who had been mad for 50 years, had disappeared from home for 2 months from Kijomoro Maracha. We were looking for him. I believed he was in a safe place and that protection was his.

After the prayers, she [Pastor Diana] called the Lead Pastor, Odama Emmanuel, to bless the people, and after finishing the blessing, he said, "I hear the Lord say it shall be well."

I claimed the confession for and on behalf of my brother David. The following day, Saturday, around 12:30 pm, he was seen at Arua Market by a relative who told us he had wanted to go to Maracha to a relative who works in the market near the abattoir. I was called to pick him up and take him to Maracha. He was calm and taken back home. I thank God for protecting and keeping him safe.

Munyani Harriet Jane

Serving the Lord with Gladness

Joining the Sunday school ministry has really helped to shape my focus in the society of Hanamel. I have become more diligent in taking responsibility instead of living unbothered.

It has also helped me fulfil my God-given assignment of teaching God's word to children for a decade. Now, it's a place that I have always set myself in order as I carry on other God-given responsibilities. I love children so much, and staying right there with them gives me joy. With my personality, I feel flexible with the children, and I am grateful to God.

Bill Clinton
Member, Sunday School Department

Transformation as an Instrumentalist

My name is Maliamungu Godwin Owen. By the grace of God, I serve at HGM as a drummer. I'm thrilled and privileged to be part of the ministry, as it has been the leading of God for me. It's a profound blessing to me and my future as a minister. First and foremost, I appreciate the pastoral team for the great word of God proclaimed that has changed my life.

In my two years of experience as an instrumentalist, I have acknowledged that growth doesn't only happen through intense practice but also through investing time in comprehending the word of God. No wonder the songs we sang in our childhood, "Read your Bible, pray every day if you want to grow". My prayer life has changed in my two years of service at HGM. Back then, it was hard for me to pray more than 5 minutes, but now I can testify that I'm able to pray for more than an hour.

My two years at the ministry have improved my spiritual growth, enabling me to stand strong in adversities, since my comprehension of the word of God has improved through the teachings of the word in the ministry. As an instrumentalist, I believe that HGM is the place where I can grow in all ways and be able to explore my gift with excellence to the glory of God. It has been a blessing serving with people who take humility as a priority and always follow God's leadership.

Once again, a special gratitude to HGM for the hospitality and love always shown to us, even in times of sorrow. I have amply learnt from it. In a nutshell, I thank God for this year's theme, "The Year of Exceeding Grace." I got at least a job through my aunt to raise at least part of my tuition. I am grateful I have learnt to trust in the Lord at Hanamel Gospel Ministries.

Maliamungu Owen
Drummer at Hanamel Gospel Ministries

STORIES OF TRANSFORMATION AND BREAKTHROUGHS

Obeying the call in God's timing

On the last day of our Home Fellowship Training, as the Pastor was sharing with us that the task would launch the following week, in my heart, I was like, "No Papa, this can't be true—we probably need more time to prepare."

Little did I know that heaven's calendar had already set things in motion. On the Sunday of our commissioning, I could still hear a small voice saying, "Papa is rushing with this time; we need more time to prepare." At that point, I was somewhat speechless, just watching everything unfold.

Right after the commissioning, Pastor Emmanuel asked the congregation to locate their Fellowship Leaders according to their location, as we were positioned in different areas.

To my surprise, my form for recording names quickly filled up, and I had to request another one! My mind couldn't comprehend how everything was happening so fast. It felt like my eyes were fixed on the very questions that had earlier lingered in my mind. Slowly, I began to have hope and took a step of faith, realizing that it was indeed the Lord's timing.

As the week began, I prepared myself using the Guide that was provided. To my surprise, one of my neighbors, whom I had invited that Thursday morning, joined us for fellowship. She shared her prayer request just like the rest of us. By the following Thursday, before the next meeting, God had already answered her request. She shared her testimony with another neighbor, who later joined us and was also very happy to be part of the fellowship.

Each week, we continue to see God answering the prayer requests of the members.

"Even when I'm busy with work, as it gets close to 6 pm, I can't stop thinking about the fellowship," one member shared.

We have now become like a family, and this has helped deepen our relationships with one another.

We have seen members grow in the Word of God, in prayer, and in worship. From a place of not knowing how to even give an opening prayer, they are now able to lead prayers. Some didn't know how to open or read the Bible, but now they can do all that.

The hand of God is clearly evident in the cell fellowship. From a place of doubt about the timing of the task, I have come to a place of acknowledging that it is time to rise to the occasion, for this is the moment to manifest the glory of Jesus in our community.

It is such an honor for me to host the people of God, but even more so to see them grow in the things of God and begin to unleash their God-given gifts.

I now see a ring of fire encircling the City and reaching outward to neighboring towns and villages through the Home Fellowship.

Happy Ongi, A Home Cell Fellowship Leader

TESTIMONIES

STORIES OF TRANSFORMATION AND BREAKTHROUGHS

My Journey of Growth and Peace

My name is Driwaru Mercy. I joined Hanamel Gospel Ministries in August 2024, and I serve in the Worship Team. Since then, the Lord has graciously allowed me to grow in the knowledge of His Word, in hearing Him, and in my prayer life through the Word of God.

I have learnt to be still and teachable before the Lord, and to know that He is God. The maturity in the Word demonstrated by the worship leaders and the pastoral team continues to inspire me, reminding me that there is always more to know about God.

By the grace of God, through His Word, I have learnt to stand firm in the midst of trials and to believe completely in His promises. I now seek God's opinion even in the little things that may seem obvious, and He faithfully speaks to me concerning them.

One of the greatest testimonies in my life has been the peace God has brought into my family in ways I could not imagine. Today, my family members are able to sit together, make decisions, and share moments of celebration. To me, this is one of the biggest breakthroughs we have ever experienced.

I have come to understand that my joining Hanamel was timely—a divine preparation ground for growth and for serving God better, marked by numerous testimonies. I thank God for our Papa, Pastor Emmanuel, and the entire pastoral team for imparting God's Word and His love into my heart. To God be all the glory.

Mercy Driwaru

From Pain To Praise: My Victory Over A Baker'S Cyst

I experienced a sharp pain in my left knee that made it impossible to rest my weight on it. Walking became a real challenge.

In January 2026, I decided to see an orthopedic doctor, who recommended that I undergo a scan. When the results came out, I was diagnosed with a Baker's cyst. The doctor explained a series of possible treatments, noting that surgery would be the ultimate solution. However, it would be a complicated procedure, and if anything went wrong, I could lose my limb.

He prescribed antibiotics and asked me to return for a review scan after one week. That same Friday, I went to the Hanamel Prayer Tower for the prayer wrap-up session. I shared my diagnosis with the Lead Pastor, and we prayed together.

After completing the antibiotics, I went back for the review scan. The cyst had reduced from 3 cm to 1.78 cm. Three months later, at the beginning of April, I returned for another review. This time, the doctors could not find the cyst—it had miraculously disappeared.

The God who heals restored me completely from what was potentially dangerous to my health. May His name be praised forever.

STORIES OF TRANSFORMATION AND BREAKTHROUGHS

From No Sales to Divine Strategy

The power of God was real. One of the things that amazed me most was how audibly God spoke to us.

A week before the trip to the prayer mountain in Goli, I attended a trade show for the first time. At that point, my small bakery business had not yet reached the level of packaging in tins or disposable plates, and I had not started labelling my products. To meet the demands of the trade show, I had to make those improvements. However, during the first week, none of my products were sold.

While at the prayer mountain, as I complained to God, He asked me, "If not for the trade show, would you have started packaging your products so neatly and using stickers?" My answer was no. Amazingly, right there on the mountain, the products that had not sold for an entire week were all bought. This confirmed what God had spoken to me.

From that moment until now, I have continued packaging and labelling my products attractively. God has been faithful since I left the prayer mountain—granting me testimony after testimony. To Him alone be the glory.

Vicky Faithman

Our Experience at the Prayer Mountain

Our participation in the HGM Prayer Retreat was, in many ways, a profound and unexpected journey. Truly, God works in mysterious ways, and we can confidently attest to the truth of this.

In the month of September 2025, I had a vivid dream. In it, my husband, Pastor Jerry, and I had agreed to travel to the prayer mountain in Goli for a retreat. As we prepared to depart, the weather began to change, there was a strong wind and very dark clouds which suggested there would be very heavy downpour of rain. On seeing that, my husband and I grew hesitant about continuing the journey. Despite our uncertainty, Pastor Jerry strongly encouraged us to proceed, emphasizing the importance of reaching the mountain. That marked the end of the dream. It is important to note that this occurred months before we had any knowledge of plans to organize a prayer retreat by Hanamel Gospel Ministries.

STORIES OF TRANSFORMATION AND BREAKTHROUGHS

Two weeks prior to the retreat, while browsing through WhatsApp status updates, I came across Pastor Jerry's post featuring a flyer announcing an HGM-organized prayer retreat to Goli. Instantly, I was reminded of the dream I had months earlier. I reached out to him to learn more about the retreat and subsequently discussed it with my husband. Without hesitation, he agreed that we should attend, and we promptly registered. That is how we found ourselves participating in the HGM Prayer Retreat at Goli.

Our experience at the retreat was deeply spiritual and impactful in every sense. From the moment we arrived, it being our first time at the mountain, to the structured devotionals and personal prayer sessions, every aspect reflected divine orchestration. It was like God surely purposed us to be there.

For us as a couple, the most significant moment occurred during the second prayer session on the day before departure. It was a powerful encounter with God that marked a turning point in our spiritual journey. We experienced a profound renewal and elevation in our spirits, something we had not felt in a long time. As my husband expressed, there had been a period where we felt a sense of distance from God, as though He was near yet beyond our reach. However, during that prayer session, we experienced a breakthrough that restored our connection with His presence. Secondly, the revelation received from the Lead pastor, Ps Emmanuel Odama about how our marriage was orchestrated by God to fulfil his mission and will. This to us was an affirmation that being part of the HGM prayer retreat was not a fluke, but rather a Divine plan from God.

These moments stood out as the pinnacle of the retreat for us. To this day, we often reflect on that experience and speak with great anticipation about returning to the prayer mountain. We eagerly look forward to the next opportunity to participate in such a transformative retreat.

The Andeku Family

The Worth of Time Spent in the Prayer Tower

Prayers have strengthened my relationship with God. Setting aside intentional time every week and at the start of each month has helped me grow in consistency and discipline in prayer. I have learned to seek God not only in times of need, but as a daily priority. My faith has become more grounded in God.

These prayer sessions have brought me inner peace and clarity. In the midst of life's uncertainties and pressures, the quiet moments I spend in prayer have given me direction and reassurance. I have experienced a sense of calm that carries me through challenges, knowing that I am not alone.

The overnights, in particular, have been powerful. It has allowed me to reflect, repent, and realign my life with God's purpose. Each overnight feels like a spiritual reset—a fresh start that prepares me for the new month ahead. I am becoming more patient, more forgiving, and more hopeful, and I am learning to trust God more fully, even when things don't go as planned.

Overall, prayers have become a cornerstone of my spiritual life. It continues to shape who I am, draw me closer to God, and give me strength to face each new day with faith and confidence, knowing that God is with me and he will never leave me.
